2. Is there any gap between curriculum prescribed by RTU, Kota / UOR, Jaipur and knowledge required while working as professional in industry and service sector? If yes, please give suitable suggestion.

As Industry is moving towards Data science & AI,
So I prefer to focus on these areas in curriculum.

3. What distinguishes us from other institutes and what makes us unique?

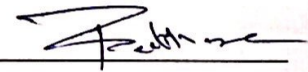

Good environment, Good faculty, Knowledge sessions,
Good participation in project competition (TQMC)

4. Remark and valuable suggestions for overall development of institute and department:

Though we had good sessions for knowledge like Nanotechnology,
but there should be session how subjects are related
to real development environment.
